Hi Renae, Sebastian and boys

Thank you so much for doing such a good job of looking after our house, garden and especially our lovely dog, Jess, while we were away for 3 weeks in February 2016.

If you are available at the same time next year we would be very happy (and so would Jess) if you could come and house sit for us again.

Warm regards
Maggie Webb
Peter Kerr

PS Thanks for the food that you left for us, especially the cold beer. It went down very well after a long flight! Jess has completely adjusted back to us, it didn't lake long, but it was perfectly OK that she wasn't enthusiastic to see us. It just showed how happy she was with you. Seb did say that she'd want to go with you by the time you left!

We're really enjoying watching the Dog Whisperer, and looking forward to watching The Big Short too.

Hopefully you'll be able to come back next year!
Enjoy your travels.

Cheers
Maggie
